

EAH to launch new applications

EA HOLDINGS Bhd (EAH), which is en route for a listing on the ACE Market of Bursa Malaysia Securities on July 20, 2010, is confident it will continue to enjoy growth over the next few years.

OSK Investment Bank's director/head of corporate finance, Joseph Soo, said the company's future plans and strategies encompassed four areas — business expansion, overseas market, marketing and human resources development.

"These plans also

include the launching of new applications in phases this year and in 2011, recruiting more re-sellers overseas, expanding existing market and building and developing competent skills," he said at the launch of EAH's listing prospectus in Kuala Lumpur, yesterday.

Moving forward, he said, EAH would take advantage of the current market foundation and improvement in the information and communication technology (ICT) spending by the public and private sectors. — *Bernama*
